

KEY OPERATING BUSINESSES

ASTRA

Indonesia

Astra (50.1%) which is listed on the Indonesia Stock Exchange is a diversified business group with six core businesses comprising automotive, financial services, agribusiness, heavy equipment and mining, infrastructure and logistics, and information technology.

Automotive

Astra is the largest independent automotive group in Southeast Asia. Its automotive business comprises the production, distribution, retail and after-sales service of motor vehicles and motorcycles. In 2010, it held 56% of the country's motor vehicle market through partnerships with Toyota, Daihatsu, Isuzu, Peugeot, Nissan Diesel and BMW, and 46% of the motorcycle market with Honda. Astra also manufactures and distributes automotive components.

Financial Services

Astra's financial services cover a wide spectrum, from consumer financing to banking and general insurance. Its automotive division finances more than 100,000 new motor vehicles and over one million Honda motorcycles in Indonesia, while its heavy equipment division supports the mining, construction, forestry and agricultural sectors.

Agribusiness

Astra's agribusiness includes the cultivation, harvesting and processing of palm oil. It is one of the largest producers of crude palm oil in Indonesia with plantations covering approximately 260,000 hectares.

Heavy Equipment and Mining

Astra provides construction machinery and mining contracting through a supply of construction and mining equipment, heavy-duty trucks, vibratory rollers, cranes, forklifts, forestry equipment and after-sales service. It is the sole distributor of Komatsu equipment, and it is also the largest coal mining services contractor in Indonesia.

Infrastructure and Logistics

Astra's infrastructure and logistics businesses include the operation of the water utility system in western Jakarta, toll road operations and transportation services.

Information Technology

Astra's information technology business provides document and IT solutions services and it is the sole distributor for Fuji Xerox in Indonesia.
