Re : Disclosure of Information

Dear Madam,

With reference to the provisions of Rule Number XK1, Attachment to the Chairman of Bapepam Decision letter Number Kep-86/PM/1996 dated January 24, 1996 on Disclosure of Information that must be announced to the Public, together we submit that on August 25, 2011, PT Astratel Nusantara ("**Astratel**"), a 100% subsidiary owned directly or indirectly by PT Astra International Tbk ("**Company**"), has signed a document of transfer of shares with PT Natpac Graha Arthamas ("**Natpac**") to take 95% shares of PT Marga Hanurata Intrinstic ("**MHI**") owned by Natpac in the amount worth about Rp.750 billion, the composition of shareholders thereafter to be Astratel 95% : Natpac 5%.

For the acquisition, Astratel is using internal funds from the Company. This acquisition is considered strategic because it is a continuation of the Astra Group action in the infrastructure sector, particularly for the development of toll roads in Indonesia, through Astratel.

MHI is a company that has signed the Toll Road Management Agreement with the Toll Road Regulatory Agency (Badan Pengatur Jalan Tol/BPJT) and MHI will implement the toll road management of Kertosono - Mojokerto in the length of 40.5 km (part of Trans Java toll road). The project costs and expenses of such toll road in total is in the approximate amount of Rp.3,5 trillion, including the cost of land acquisition and construction work.

This acquisition is not considered as a material transaction in accordance with the Rule No. IX.E.2, Attachment to the Chairman of Bapepam-LK Decision letter Number Kep-413/BL/2009 dated 25 November 2009, concerning Material Transactions and Change of Main Business Activities, because the transaction value is less than 20% of the equity of the Company based on the Company and its Subsidiaries' Consolidated Annual Financial Statements for the fiscal year ended December 31, 2010 as audited by Public Accountant Office Tanudireja, Wibisana & Partners.

Thus we convey and thank you for your attention.

Sincerely,
PT ASTRA INTERNATIONAL Tbk
